EXPEDITION**

# YOUR JOURNEY

Start your next journey with our next Expedition Series! Designed as the ultimate adventure machine, this hybrid off road caravan boasts an aggressive departure angle, impressive off-grid capabilities, and an innovative design that redefines what's possible.

No matter where your journey takes you, our Expedition Series will be your trusty companion, taking you on an unforgettable adventure with unmatched performance and comfort. So, pack your bags and get ready for the journey of a lifetime!

# YOUR ADVENTURE

Get ready to take your adventures to the next level with the Zone RV Expedition hybrid caravan – the ultimate off-road machine built to access remote locations and keep you comfortable for long periods of time, no matter where your journey takes you. Whether you're exploring rugged terrain or going where others can't get to, this caravan is designed to handle it all. So why settle for an ordinary camping trip when you can experience the ultimate adventure with the Zone RV Expedition hybrid caravan

# YOUR EXPEDITION

If you've been dreaming of exploring the unknown, and are driven by a passion for off-road exploration and accessing tight tracks, then look no further than the Expedition Hybrid caravan – the perfect caravan for thrill-seekers who want to blaze new trails and take their adventures to the next level. With its rugged design, exceptional off-road capabilities, and unbeatable versatility, the Expedition Hybrid caravan is the ultimate companion for those who love to explore and push their limits. So, what are you waiting for? Your Expedition Awaits!

# BUILT TOUGH

Get ready to tackle the toughest terrain with the Zone RV Expedition – our most adventurous and toughest model yet, built to withstand rugged landscapes and deliver unbeatable performance. Featuring a fully moulded body design from advanced composite manufacturing technology, it's lightweight, durable, and easy maneuver. Backed by technology from the aeronautical and marine industries, this caravan is engineered to perform at the highest level.

# ADVENTURE MACHINE

Prepare to dominate the roughest and toughest off-road terrain with the Expedition Hybrid off-road caravan – the ultimate machine for thrill-seekers who are ready to push their limits and explore the most challenging tracks. Featuring an aggressive rear departure angle, unparalleled maneuverability, and the ability to access tight tracks and follow vehicle wheel tracks with ease. Featuring Cruisemaster airbag suspension and 17 in wheels. Enjoy the dynamic turning circle and a range of luxurious features for ultimate comfort and convenience on your next adventure!

# OFF-GRID ADVENTURE

Our Expedition Hybrid Off Road Caravan is designed for off-road adventurers. Equipped with the latest Redarc Manager 30 and Redvision display, it provides extensive off-grid capabilities. The 300L water storage and outdoor kitchen with fixed induction cooking top offer convenience and comfort, while the durable construction ensures it can handle tough conditions. Start your off-grid adventure today with our Expedition Hybrid Off Road Caravan!

# COMPLIMENTARY ROADSIDE ASSISTANCE

At Zone RV, we've got your back with our complimentary 1-year roadside assistance. Whether you're exploring the outback or cruising the coast, our national network of service vehicles is here to keep you moving.

With unlimited callouts all year long on our 5 Star plans, you'll never have to worry about being stranded. And best of all, it's easy - no paperwork or forms needed. Just a quick app click or phone call and help will be on the way. At Zone RV, we're all about making your journey as stress-free and enjoyable as possible.

# A ZONE OF OUR OWN

We are dedicated to transforming the off-road caravan experience through innovative technology, stunning design, and unparalleled efficiency. With over 25 years of combined experience in composite manufacturing across marine, aeronautical, and civil construction industries, our team of experts bring a wealth of knowledge and skills to the table.

Our passion for excellence drives us to set a new standard in the industry and offer only the highest quality, Australian-made off-road caravans. Our mission is to empower our customers to make a premium lifestyle choice, live a life of adventure and receive the Summit Experience through our world-leading caravan manufacturing, cutting-edge technology and excellent customer service.

# SERVICING

At Zone RV, we value our customers' satisfaction and safety above all else. That's why we offer a comprehensive check-up service after the first 1000km or first week of use, to ensure that all components are operating at their best after handover. Our team of expert advisors and technicians will go above and beyond to accommodate your needs and get you back on the road with complete peace of mind. Plus, we have exciting plans to establish a national footprint, so you can find an accredited service workshop in your closest city, no matter where you go. Trust Zone RV to always put your needs first, every step of the way.

# WARRANTY

Zone Rv takes pride in the strength and dependability of our Australian made off road caravans. We believe that the backbone of any adventure relies on durability and reliability of the vehicle creating experince for you! At Zone RV, we have spared no expense in engineering and testing our vehicles to ensure they provide you with the Summit Experience.

WARRANTY	
Chassis	5 years
Composite	3 years
